No. 1084

Dated 16/18 Aug. 1818.

To

The Deputy Commissioner
Mysore District.

Sir.

I beg to inform you that I went to the Choke and personally enquired into the fact of the Polate kept outside the limits of the Karay and Wanny in the charge of the Seepoy having been Emitted in by some body unknown and on account below 10 Rs had been realized from him. My enquiry showed that the Seepoy guard performed the duty properly, such a thing never has occurred. There was only neglect on the part of [illegible] and the Havaldar. I therefore dismissed all of them on the spot

and directed Mr. Tirumalachar Dharma-
-daree Karpatheger to employ temporary
Seeporys in their stead which was done
in my presence.

Instead of having a Seepoy
guard in the Temple at Melkote
I consider that it will be in every
way a better measure to request the
the Inspector General of Police
to kindly furnish the Temple with
a Police guard of Six Second class
peons and one Lance Daffedar.
(Caste men being preferrable).

The total cost of the present
establishment of Seeporys amounts
to Rs 36/-. The extra expenditure
of Rs 9 which will be incurred
by the Substitution of the Police guard
can be met from Savings under the
head "Casuals of Elephant Establishment
abolished"

I have consulted the Dharma-
-dareeS in this matter and they are
very much for it. The Police guard do

appointed will keep a Rooster & confine themselves only to the guarding of such of the properties of the Temple as are kept outside the Temple at the entrance and are specially given to their charge.

I have the honor to be
Sir
Your most obedient &c

The Police guard for the Melkote Temple was first sanctioned only as a temporary measure for a period of 6 months, but it is now already 8 months since the arrangement was brought into force. Now that most of the temple jewels have been removed to the Taluk kutcherry for safe custody don't you think that the Police guard may be safely withdrawn and reliable watchmen with Sepoy dress employed as of old I am informed by the Dharmadarsees that services of trustworthy men among the residents

of the surrounding
villages can be secured
for the work.

Sir,

With reference to Government Proceedings No. 1147-G/1502 dated 28th April 1894, received with your Cyr No. 1871 dated 1st instant regarding the withdrawal of the Reserve Police ground temporarily appointed to the Mélkotté temple, I have the honor to state, that the Maniagar of Seruvapalam reports in his letter No. 330

dated 13th instant, that it is not advisable to withdraw the Police guard till the reliable men could be appointed to take their place. I concur with the Builder.

2. Enquiries are being made for trustworthy men and it is necessary that the Reserve Police men now on duty at the temple should be kept on till the 15th June next, so as to admit of the selection of reliable men with a knowledge of the use of fire arms for the important work of guarding the temple. I beg therefore that sanction may be accorded to the retention of the Reserve Police men till the 15th June next. Pending such sanction they have

not been relieved.

The Chaildars report is herewith submitted for reference.
